The Location

Cold Creek Retreat is conveniently located just 10 minutes from downtown Portland and 3 minutes from the I 5 Bridge. Cold Creek Retreat is easily accessible to the entire Portland Vancouver metropolitan area.

The Grounds

Cold Creek Retreat sits on 5 acres of pristine forest with trails highlighting views of Cold Creek. Hammocks and benches offer a place for reflection and peace along the forest paths. Resplendent with big trees and maintained grounds, it's a one of a kind location. An outdoor amphitheater style stadium in the trees with creek views is perfect for ceremonies, music, or lectures. A large on-site seating area with fire pit also offers an area to gather and dine. Several additional gathering places provide many options. Tents may also be utilized depending on client needs. Need to bring more people? Let us know.

The Amenities

Inside the screen house there is seating for up to 50 and you'll find a "grand bedrock granite" table that easily seats 12. With flat screen available and sound system, it provides a mix of options. Maybe you want to move your meeting outdoors to our amphitheater with flat screen and sound available as well, or relax around a fire or under the shade of an apple tree or in a quiet zen like stone garden or on the flat stone patio.

A full outdoor screened kitchen is equipped for your chef needs or let us do the cooking. The kitchen offers any number of options, from baking to barbeque. A walk in refrigerator and onsite freezer make it perfect for keeping things fresh and handy. A two oven and four burner stove, a convection steam oven, plenty of counter space and several grills allow for all the options. An outdoor fire pit can offer a location for whole animal cooking too.

Ample refrigeration and storage for keeping flowers fresh in the walk in refrigerator. Two freezers for ice storage and more make logistics easy.

During the evening the location takes on a magical aura with lights that twinkle behind the backdrop of a lovely fire.

Rates & Fees

Cold Creek Retreat is also one of the most affordable locations because of our flexibility to suit your needs. Have your own caterer? No problem. And you can bring & serve your own alcohol, no up fees and no gratuities. Whether you want a small or large gathering our rates will be just another reason to love Cold Creek Retreat. We adjust our rates depending on the number of people and your food choices.

Our corporate package for up to 50 guests starts at \$1,500. Depending on what else you desire besides the location itself rates are increased accordingly.

Do you enjoy good food? We can cater to your needs with small or large groups. We think you'll find our options completely different and enjoyable.
