

# The I Want You to Plan My Forest Wedding Celebration Program

# The Grounds

Cold Creek Retreat sits on 5 acres of pristine forest with trails highlighting views of Cold Creek. Hammocks and benches offer a place for reflection and peace along the forest paths for your guests. Resplendent with big trees and maintained grounds, it's a one of a kind location. An outdoor amphitheater style stadium in the trees with creek views is perfect for your ceremony. A large on-site seating area with fire pit offers an area perfect for greeting guests. Several additional gathering places provide many options. Tents may also be utilized depending on weather.

# The Amenities

Inside the screen house there is seating for up to 50 and you'll find a "grand bedrock granite" table that easily seats 12. Maybe your guests want to eat outdoors by the fire or under the shade of an apple tree or in a quiet zen like stone garden or on the flat stone patio. The outside seating allows for another 50 diners on lovely teak furnishings. Three eating areas within steps include: The open outdoor area – 50 seats, the screen house – 50 seats. The Orchard – 8 seats.

A forest “disco” that is 25 by 30 feet sits on a knoll above the greenery of trees. During the evening the location takes on a magical aura with lights that twinkle behind the backdrop of a lovely fire.

Ample refrigeration and storage for keeping flowers fresh in the walk in refrigerator are available for your use as well. Two freezers for ice storage and more make logistics easy.

If you are a couple who enjoy a more casual experience with your guests this will be a wonderful memorable wedding, so sit back and let us take your stress away so you can enjoy your day with friends and family.
